## DAY DREAM PROTECTIVE LOTION

### LIGHTWEIGHT DAY MOISTURIZER SPF 35

Your skin has a mind of its own. But now you can make it resilient to what life throws at you with bioadaptive skin care that helps your skin adapt to environmental stressors like late nights, pollution, and UV and blue light rays—for better, balanced skin every single day. It's so intuitive, it knows what your skin needs before you do. And with clean formulas, you can feel confident about what you're putting on your skin. Nutricentials Bioadaptive Skin Care™. Make every day a great skin day.

#### MEET DAY DREAM PROTECTIVE LOTION

With a silky texture that feels like a dream, this luxurious SPF 35 formula is your great skin go-to. A Bioadaptive Botanical Complex and Blue Light and Infrared Antioxidant Blend help reduce the effects of stress, pollution, free radicals, blue light, and infrared on your skin. And Ginger Root Extract helps your skin look vibrant throughout your day. Apply Nutricentials Day Dream Protective Lotion each morning for lightweight moisturization that provides broad spectrum sunscreen protection and gives you a dewy, radiant appearance.

#### WHY YOU'LL LOVE IT

- Made with bioadaptive botanicals that help your skin adapt to its environment.
- A clean formula with worry-free ingredients you can feel good about putting on your skin.
- Features broad-spectrum SPF 35 UV protection in a comfortable lotion without any sunscreen smell.
- Helps protect against and prevent the damaging effects of blue light and infrared exposure, including discoloration, dullness, and premature aging.
- Helps protect against, and increase resiliency to, the damaging effects of stress, pollution, and free radicals.
- Provides lightweight hydration without leaving a greasy residue.
- Gives a glowing, luminous complexion and evens skin tone for radiant skin.
- Doesn't clog pores—non-comedogenic.
- Features a tube that is proudly made with 34% post-consumer resin (PCR).

#### WHAT POWERS IT

- **Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)**—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- **Blue Light and Infrared Antioxidant Blend (Carnosine, Pumpkin Extract, and Buriti Oil)**—provides antioxidant protection to help prevent the visibly damaging effects of blue light and infrared, like discoloration and dull-looking skin.
- **Ginger Root Extract**—an antioxidant that boosts skin's natural resilience to stress as it soothes, promotes luminosity, and helps even skin tone.

#### HOW TO USE IT

Apply a generous amount to clean face and neck in an upward, outward motion. Use every day.

#### TRY THESE WITH IT

- Nutricentials To Be Clear Pure Cleansing Gel
- Nutricentials Here You Glow Exfoliating Toner
- Nutricentials Celltrex® Always Right Recovery Fluid
- Nutricentials Celltrex Always Right Recovery Mask
- Nutricentials Thirst Fix Hydrating Gel Cream

#### LEARN MORE ABOUT IT

##### What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. These special properties help your skin adapt to its changing and unique environment so it can recover from—and gain resiliency to—environmental stressors.

# NUTRICENTIALS® DAY DREAM PROTECTIVE LOTION

## LIGHTWEIGHT DAY MOISTURIZER SPF 35

### How is Nutricentials Day Dream Protective Lotion protective?

Nutricentials Day Dream Protective Lotion contains broad-spectrum sunscreen filters to protect the skin from sun damage, and bioadaptive botanicals and Ginger Root Extract to help protect skin from other environmental stressors. It also features a Blue Light and Infrared Antioxidant Blend that helps protect against the harmful effects of these two common skin stressors.

### Can Nutricentials Day Dream Protective Lotion be used together with another moisturizer?

Day Dream Protective Lotion is formulated as a combination sunscreen and moisturizer. For additional hydration, you can add another moisturizer like Thirst Fix to your morning regimen.

### How does Nutricentials support Nu Skin's commitment to become more sustainable?

Nutricentials product bottles are made from 100% post-consumer resin, and the tubes are made with 34–35% post-consumer resin (PCR). Plus, more than 90% of our palm ingredients are Roundtable on Sustainable Palm Oil (RSPO) sourced. Please check your local capabilities and recycle the bottles, jars, and cartons where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us.

Visit [www.nuskin.com/sustainability](http://www.nuskin.com/sustainability) for more information and details on how to recycle.

### What is the Nutricentials commitment to clean formulas?

With our commitment to transparency, sustainability, and using only the best of science and nature, we bring you clean formulas based on our Nutricentials worry-free ingredient list—all in sustainable packaging. So you can feel confident in your natural glow and in your skin care. Nutricentials Bioadaptive Skin Care™ is responsible skin care for conscious consumers.
