

RENU HAIR MASK

Get ready to turn heads. ReNu Hair Care is an innovative system that repairs the hair shaft, seals the cuticle, and restores your hair's strength for improved manageability and shine. It helps correct and protect against damage from mechanical, environmental, and biological aggressors. And it's all delivered in 100% PCR bottles, making ReNu a sustainably smart hair care solution, too. Say hello to visibly healthier, beautiful hair.

MEET RENU HAIR MASK

The ultimate care for softer, smoother hair. This deep-hydrating hair mask quenches your hair's thirst and helps repair damage caused by coloring, bleaching, perming, and heating. How? With powerful Panthenol, can't-get-enough Coconut Oil, and our specialized hair-loving CS7 ingredient, which seals, smooths, and strengthens each strand to maximize manageability and help protect from future harm. Give your hair the revitalization it deserves with ReNu Hair Mask—the heart of the complete ReNu Hair Care system.

WHY YOU'LL LOVE IT

- Features CS7 to seal, smooth, and strengthen each cuticle—especially any that have been lifted or damaged by treatments like coloring, bleaching, perming, or thermal straightening.
- Deeply hydrates and nourishes to double the strength of damaged hair.
- Helps repair hair and restore its magnificent softness and shine, including damaged and lifted hair cuticles.
- Nurtures, conditions, and revitalizes damaged, broken hair and split ends.
- Proven safe on colored and chemically treated hair.
- Helps protect hair from future damage.
- Makes hair look and feel healthier, vibrant, and remarkably revitalized for up to seven days, even after multiple hair washings, when used as part of the complete ReNu Hair Care system.

WHAT POWERS IT

- **CS7**—a specialized ingredient that seals, smooths, nourishes, and strengthens the hair cuticle for up to seven days, repairing split ends and helping to protect hair from future damage.
- **Coconut Oil**—helps hair look and feel healthy and nourished.
- **Panthenol**—helps hair look and feel soft, silky, and lustrous.

HOW TO USE IT

After using a ReNu Hair Care shampoo, work evenly into wet hair with fingertips, paying special attention to ends or damaged areas. Leave on hair five to 10 minutes, depending on conditioning needs. Rinse thoroughly. Use up to three times per week in place of a ReNu Hair Care conditioner.

TRY THESE WITH IT

- ReNu Volumizing Shampoo
- ReNu Volumizing Conditioner
- ReNu Smoothing Shampoo
- ReNu Smoothing Conditioner

LEARN MORE ABOUT IT

Who should use ReNu Hair Mask?

ReNu Hair Mask is great for anyone who wants to repair and revitalize their hair.

Can I use ReNu Hair Mask on chemically treated hair?

Yes. All ReNu Hair Care products are safe to use on chemically/color-treated hair.

RENU HAIR MASK

Does ReNu Hair Mask contain any ingredients that come from animals?

No. We use zero animal or animal byproduct ingredients in any ReNu Hair Care formula.

What is the hair cuticle?

The cuticle is the outermost portion of the hair shaft and is responsible for most of the mechanical strength of the hair fiber. It's made of flattened cells that overlap like the tiles on a roof to protect the inside of the hair shaft from damage. When your hair shaft is damaged, your cuticle is raised, leaving hair looking dull and lifeless. When your hair's cuticle lays flat, it reflects light to look beautiful and lustrous.

Can I use ReNu Hair Mask every day?

We recommend you use ReNu Hair Mask in place of a conditioner two to three times each week, not every day. Instead, you can use a ReNu shampoo and conditioner with your other hair washes to achieve the best results.
