

NUTRICENTIALS®

MOISTURIZE ME

INTENSE HYDRATING CREAM

Your skin has a mind of its own. But now you can make it resilient to what life throws at you with a bioadaptive skin care system that helps your skin adapt to environmental stressors like late nights and pollution and protects against UV and blue light rays—for better, balanced skin every single day. It's so intuitive, it knows what your skin needs before you do. And with clean formulas, you can feel confident about what you're putting on your skin. Nutricentials Bioadaptive Skin Care™. Make every day a great skin day.

MEET MEET MOISTURIZE ME

Long-lasting hydration has never felt so good. Nutricentials Moisturize Me is an ultra-luxurious cream that delivers intense moisture, without feeling greasy, to keep your skin soft, hydrated, and radiant for hours. Formulated with bioadaptive botanicals to help protect against, and increase your skin's resilience to, environmental stressors, and Evodia Rutaecarpa for visible radiance, Nutricentials Moisturize Me is your multi-benefit solution for beautifully hydrated skin.

WHY YOU'LL LOVE IT

- Made with bioadaptive botanicals, known as adaptogens, that help your skin adapt to its environment.
- A clean formula with worry-free ingredients you can feel good about putting on your skin.
- Helps your skin adapt to its changing and unique environment, so you can always put your best face forward.
- Provides immediate hydration and 24 hours of continuous moisturization.
- Helps protect against, and increase resiliency to, the damaging effects of stress, pollution, and free radicals.
- Improves skin radiance and luminosity for a healthy glow.
- Keeps skin hydrated all day and night.

WHAT POWERS IT

- **Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)**—a blend of botanical extracts from plants known as adaptogens that thrive in extreme climates and can help your skin bounce back from stressors.
- **Evodia Rutaecarpa**—increases radiance to visibly improve skin's luminosity.

- **Glycerin**—a humectant that draws moisture to the skin to keep it hydrated and smooth.

CLINICALS THAT PROVE IT

In a third-party study, after a single application, subjects experienced:

+210% immediate hydration.

+118% hydration after 12 hours.

And continuous hydration for a full 24 hours.

HOW TO USE IT

Apply a generous amount to clean, dry face and neck.

TRY THESE WITH IT

- Nutricentials HydraClean Creamy Cleansing Lotion
- Nutricentials In Balance pH Balance Toner
- Nutricentials Celltrex® Always Right Recovery Fluid
- Nutricentials Celltrex Always Right Recovery Mask
- Nutricentials Spa Day Creamy Hydrating Masque

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. These special properties help your skin adapt to its changing and unique environment so it can recover from—and gain resiliency to—environmental stressors.

What skin types should use Moisturize Me?

Moisturize Me is formulated to be suitable for all skin types. This is a perfect option for those who love a creamy, ultra-rich moisturizer.

NUTRICENTIALS® MOISTURIZE ME INTENSE HYDRATING CREAM

Can I use Moisturize Me morning and night?

Moisturize Me fits perfectly into your morning and nighttime skin care routine. This intense hydration cream provides a serious moisture boost and helps your skin adapt to daily stressors. For daytime UV protection, add a sunscreen product like Day Dream Protective Cream SPF 35.

How does Nutricentials support Nu Skin's commitment to become more sustainable?

The Moisturize Me jar is made from virgin polypropylene (PP) plastic. Please check your local capabilities and recycle the jar where possible.

Nutricentials bottles are made from 100% PCR, and our tubes are made with 34–40% PCR, saving a combined total of 57.5 tons of virgin plastic every year.* Plus, more than 90% of our palm ingredients are sustainably sourced, as certified by the Roundtable on Sustainable Palm Oil (RSPO). Please check your local capabilities and recycle all bottles, cartons, and jars, where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us. Please visit www.nuskin.com/sustainability for more information.

*Based on 2021 global forecasts.

What is the Nutricentials commitment to clean formulas?

With our commitment to transparency, sustainability, and using only the best of science and nature, we bring you clean formulas based on our Nutricentials worry-free ingredient list—all in sustainable packaging. So you can feel confident in your natural glow and in your skin care. Nutricentials Bioadaptive Skin Care™ is responsible skin care for conscious consumers.

Which ingredients are on the Nutricentials Worry-Free List?

We know you care about what goes on your skin. Thanks to the Nutricentials Worry-Free List, you won't find the following ingredients in any Nutricentials formulas.

BHA/BHT	MI/MCI	POLYETHYLENE BEADS
COAL TAR	MINERAL OIL	PROPYLENE GLYCOL
DYES	OXYBENZONE	RETINYL PALMITATE
EDTA*	PARABENS	SLS/SLES
FORMALDEHYDE	PARAFFIN	TOLUENE
FRAGRANCE ABOVE 1%	PEGS	TRICLOCARBAN
HYDROQUINONE	PETROLATUM	TRICLOSAN
MEA/DEA/TEA	PHTHALATES	

*except in sunscreens, for stability.
