## GALVANIC SPA® POWERMASK

### MEET AGELOC GALVANIC SPA POWERMASK

Could your skin use some instant revitalization? Give it the boost it needs with ageLOC Galvanic Spa PowerMask. This ultramodern treatment harnesses the power of ageLOC Galvanic Spa to give you instantly refreshed, hydrated, and visibly renewed and plumped skin. This quenching mask, made of biocellulose to deliver maximum hydration, contains a proprietary blend that's infused with charged moisture magnets. When paired with ageLOC Galvanic's current, the moisture magnets mobilize to deliver an intense surge of refreshing hydration to your skin while targeting aging appearance at its source.

### WHY YOU'LL LOVE IT

- Instant treatment delivers a blend of moisture particles for intense hydration.
- Instantly nourishes and visibly plumps, giving skin a youthful bounce.
- Increases skin radiance for a brighter, more even complexion.
- Supports softer, smoother-looking skin.
- Nourishes and hydrates tired skin for a healthy, well-rested appearance.
- Reduces the appearance of fine lines and wrinkles.
- Biocellulose mask fits snugly and delivers excellent levels of hydration.

### WHAT POWERS IT

- **Skin Hydration Blend**—a blend of trehalose, glycerin, and charged hyaluronic acid that provides hydration and conditioning benefits.

- **Skin Conditioning Blend**—a blend of althaea rosea flower extract, allantoin, adenosine, panthenol, L-arginine, and caffeine that provides skin-conditioning support.
- **ageLOC Blend**—targets the sources of aging to preserve the look of youth.

### HOW TO USE IT

1. Begin with clean skin. Delicately unfold the mask and remove the mesh lining on one side. Apply the mask to your face, with the unlined side on your skin. Remove the mesh lining on the other side and adjust the mask to your face.
2. Hold ageLOC Galvanic Spa with a moistened hand while touching the chrome plate on the back. Use Galvanic Spa selection number 5 for 2 minutes. For a more intensive treatment, use Galvanic selection number 4 for 5 minutes.
3. Begin your ageLOC Galvanic Spa treatment, gently placing the device to your skin, starting at the center of your face and moving outward.
4. After the Galvanic Spa treatment, relax and leave the mask on for 10-15 minutes.
5. Remove the mask, massage the remaining product into your skin, and follow with your regular skin care regimen.

### DID YOU KNOW

Biocellulose is a thin, flexible material made of fibers that are dense and delicate, which allows it to offer greater hydration to skin. The mask feels like a cool, moist gel but is actually quite strong and resilient. The skin care industry considers masks made of biocellulose as the gold standard for hydrating and treating skin.

## TRY THESE WITH IT

- ageLOC® Tru Face® Essence Ultra
- ageLOC® Tru Face® Essence Ultra Uplifting Cream
- ageLOC® LumiSpa® Accent and ageLOC LumiSpa IdealEyes®

## FAQs

### How is this mask different than the ageLOC Galvanic Spa Facial Gels?

Both of these products deliver hydration, soften and smooth skin, revive stressed skin, and target the signs of aging. ageLOC Galvanic Spa Facial Gels also draw out impurities from the skin while delivering ageLOC ingredients to treat the skin. ageLOC Galvanic Spa PowerMask provides deep hydration with charged particles, increasing skin radiance for a brighter, more even complexion, and nourishes and visibly plumps skin.

### How will I know which selection is best for me?

It really depends on how intense of a treatment you'd like. Using settings 4 or 5 both give amazing results, though the added amount of time using ageLOC Galvanic Spa at setting 4 intensifies the treatment.

### Can I use ageLOC Galvanic Spa PowerMask without ageLOC® Galvanic Spa?

Absolutely. PowerMask is made of biocellulose to deliver soothing hydration to your skin. However, PowerMask works best when paired with ageLOC Galvanic Spa to receive its full benefits.

### How often should I use ageLOC Galvanic Spa PowerMask with ageLOC Galvanic Spa?

We recommend using PowerMask with ageLOC Galvanic Spa as a weekly treatment in conjunction with ageLOC Galvanic Spa Facial Gels. It can also be used before a special event to give your skin a radiance boost and smoother texture.

## INGREDIENTS

Water (Aqua), Glycerin, Propanediol, Methylpropanediol, PEG-40 Hydrogenated Castor Oil, Xanthan Gum, Butylene Glycol, Narcissus Tazetta Bulb Extract, Schizandra Chinensis Fruit Extract, Althaea Rosea Flower Extract, Sodium Hyaluronate, Caffeine, Panthenol, Trehalose, Arginine, Carbomer, Allantoin, Adenosine, Tocopheryl Acetate, 1,2-Hexanediol, Hydroxyacetophenone, Caprylyl Glycol, Ethylhexylglycerin, Disodium EDTA, Fragrance (Parfum).
