

ageLOC®

BODY SHAPING GEL

PRODUCT OVERVIEW

For a more contoured, firmer, smoother you. ageLOC Body Shaping Gel is formulated to work exclusively with proprietary ageLOC Galvanic Spa® and ageLOC Galvanic Body Spa® instruments to bring anti-aging benefits to the body. For years, leading spas have used combinations of special treatment tools and formulations to minimize the appearance of cellulite. Nu Skin takes this idea one step further. ageLOC Body Shaping Gel is an intensive spa-quality treatment that smooths and helps improve the overall appearance of the skin. This exclusive treatment helps refresh and purify skin while reducing the visible signs of aging.

FREQUENTLY ASKED QUESTIONS

What is the difference between ageLOC Body Shaping Gel and ageLOC Dermatic Effects®?

Both ageLOC Body Shaping Gel and ageLOC Dermatic Effects have been developed to smooth the appearance of skin and improve the appearance of skin's firmness. These products help provide a more contoured, smoother, firmer looking appearance. However, there are important distinctions.

- ageLOC Body Shaping Gel was designed to be compatible with the ageLOC Galvanic Spa® and ageLOC Galvanic Body Spa® instruments. It helps maintain healthy looking skin. It also is specifically formulated to help refresh, purify, and reenergize skin while reducing the visible signs of aging.
- ageLOC Dermatic Effects increases cellular turnover returning it to its natural radiant texture. It also contains technology to diffuse light instantly to help skin look smoother and improve the appearance of the skin's surface. It provides daily hydration benefits and instantly smooths the skin, while helping extend the benefits of ageLOC Body Shaping Gel (ageLOC Dermatic Effects is not suitable for use with ageLOC Galvanic Body Spa or ageLOC Galvanic Spa).

What is the benefit of using the ageLOC Body products as a regimen?

ageLOC Body Shaping Gel and ageLOC Dermatic Effects were developed to be complementary products. Used together they provide a comprehensive contouring, smoothing, and firming skin care regimen for the body. Both products have been formulated to include proprietary ingredients that have been validated by Nu Skin's anti-aging science. Used daily morning and night, ageLOC Dermatic Effects includes several additional key ingredients that hydrate while smoothing and firming and provides a continuous supply of those key anti-aging ingredients to the skin. The ageLOC Galvanic Body Spa or ageLOC Galvanic Spa with ageLOC Body Shaping Gel works to supply beneficial ingredients when used once a day, three times per week, with the delivery enhanced by a

galvanic current. Using ageLOC Dermatic Effects twice daily and the ageLOC Galvanic Body Spa with ageLOC Body Shaping Gel three times a week provides you with complete delivery of the greatest level of key anti-aging ingredients.

How soon should I see a difference in my skin using ageLOC Body Shaping Gel and the ageLOC Galvanic Body Spa?

Individual results will vary. The research to date indicates the consumer should see improvements in as little as eight weeks.
