

GALVANIC SPA® FACIAL GELS WITH ageLOC®

Pre-Treat Gel

Treatment Gel

PRODUCT OVERVIEW

Unlock the secret of a younger looking you each time you experience a rejuvenating in-home facial using Galvanic Spa Facial Gels with ageLOC. Transform a tired and stressed complexion into a revitalized, rejuvenated you. Exclusive patented technology gives you an at-home alternative to time consuming and costly spa treatments—in just five minutes a few times a week—with the specially formulated Galvanic Spa Facial Gels with ageLOC.

Galvanic Spa Facial Gels feature ageLOC—a proprietary ingredient blend that targets aging at its source. The result: skin that immediately feels refreshed, hydrated, and incredibly soft and clean.

An easy-to-do two-step process, the pre-treat step soothes and conditions the skin, binding to impurities and preparing your skin for the treatment step, and the treatment delivers ageLOC to the skin.

BENEFITS

Pre-Treat Gel

- Binds to impurities; softens and relaxes pores, allowing them to breathe; dissolves and liquefies excess facial oils.
- Soothes and conditions the skin.

Treatment Gel with ageLOC

- Removes impurities targeted in the pre-treat step.
- ageLOC targets the sources of aging to preserve the look of youth and reduce the appearance of aging.
- Facilitates recovery from stress; revives and invigorates tired skin by promoting cellular energy.
- Enhances skin hydration, and leaves skin feeling incredibly soft, clean, and refreshed.

Both Gels

- Provide skin enhancing results in just five minutes.
- Reveal skin's natural vibrancy by removing impurities and promoting cellular energy.

FREQUENTLY ASKED QUESTIONS

Can people with medical conditions use the Galvanic Spa Facial Gels?

If you have any medical conditions or concerns check with your physician before using the Galvanic Spa Facial Gels. Always use as directed.

Can people with acne use Galvanic Spa Facial Gels with ageLOC?

Galvanic Spa Facial Gels with ageLOC are great for any skin type. They should not cause any additional problems for individuals with mild acne, but are not designed to help or treat this condition. The Galvanic Spa Facial Gels should not be used over an area with many broken capillaries or over an inflamed or open wound—such as areas with moderate to severe acne.

Can I use part of one gel for one application and then use the rest a few days later?

The facial gels are packaged in individually metered dosages. Using a full vial as directed will ensure that each application provides the most beneficial amount of key ingredients. We recommend that the facial gels be used in one sitting and not be saved for later use.

How often should I use the facial gels?

You can use the facial gels up to two or three times a week.
