

ageLOC® TRANSFORMING NIGHT

MEET AGELOC TRANSFORMING NIGHT

Indulge yourself in rich renewal every night. ageLOC Transforming Night is a rich hydrating cream that dramatically reduces the look of fine lines, wrinkles, and pores, so you wake to glowing, smooth, supple skin. This exclusive cream features ageLOC to combat the sources of aging. Plus, ultra-mild ingredients work with the skin's natural nighttime renewal process for deeply hydrated, rejuvenated, youthful looking skin.

WHY YOU'LL LOVE IT

- ageLOC targets the ultimate sources of aging to preserve the look of youth and reduce the appearance of aging.
- Contains advanced anti-aging ingredients that are scientifically proven to:
 - Stimulate youthful cell turnover by 85% for a smoother, softer texture you will feel.
 - Reduce the appearance of fine lines and wrinkles by 45% for visibly younger looking skin.
- Skin cell turnover reduces the appearance of pores.
- Features mild ingredients that mimic the skin's own structure and composition.
- Works together with the skin's natural nighttime repair and renewal processes, strengthening skin's natural barrier for stronger, more resilient skin.

WHAT POWERS IT

- ageLOC Proprietary Blend—a patented ingredient technology that targets the sources of aging.
- Pea Extract, Bamboo Extract, and Glucosamine—a powerful anti-aging ingredient blend that has been shown

to reduce the appearance of fine lines and wrinkles and increase cell turnover, resulting in visually youthful skin.

- **Hyaluronic Acid and Ceramide 3**—retain and protect the moisture within the skin for increased hydration and radiance.

HOW TO USE IT

To complete your evening regimen, scoop a small amount onto fingertips and apply in an upward, outward motion to face and neck. Avoid the eye area. ageLOC Transforming Night package size and instructions are optimized for 30-day use.

FYI

ageLOC Transforming Night and ageLOC Radiant Day SPF 22 are “sibling” formulas sharing many of the same moisturizing, hydrating, and anti-aging ingredients. With this approach, the skin receives a constant supply of actives every 12 hours.
