

AP-24® Gentle Action Dental Floss

Easy on gums, AP-24® Gentle Action Dental Floss slides into hard-to-reach areas, expanding to help loosen and remove debris. It also delivers AP-24® to critical spots—between teeth and gums—to clean and freshen your mouth.

AP-24® Anti-Plaque Toothbrush

Utilizing a new channel bristle technology, this toothbrush delivers and holds more toothpaste against teeth while you brush. Extremely gentle to gums, it also features a hand-friendly shape.

The AP-24® Oral Care System— Complete Protection

Effective oral health care requires more than brushing in the morning and evening—it requires all day attention. Regular products don't provide the same level of protection as AP-24®.

A complete system of products developed for the entire family, the AP-24® Oral Care System helps remove plaque and fight cavities throughout the day.

The AP-24® Oral Care System

To provide greater protection against gum disease while suppressing the corrosive effects of harmful bacteria, scientists at Nu Skin have developed a revolutionary solution: the AP-24® Oral Care System.

When used as directed, the AP-24® system helps control cavities by battling plaque, minimizing the mouth's exposure to harmful bacteria that cause gum disease. And as AP-24® cleans your mouth, it leaves you feeling refreshed and invigorated.

AP-24® Anti-Plaque Fluoride Mouthwash

Great for the whole family, AP-24® Anti-Plaque Fluoride Mouthwash fights plaque and provides anti-cavity protection without disrupting the naturally balanced microflora (bacteria) that are essential to a healthy mouth. This mouthwash provides long-lasting freshness without the negative side effects of alcohol.

AP-24® Whitening Fluoride Toothpaste

This great-tasting toothpaste brightens and whitens. Featuring a proprietary formula that contains no harmful peroxides, AP-24® Whitening Fluoride Toothpaste will give you the smile you've always wanted by helping remove stains and control tartar.

AP-24® Anti-Plaque Fluoride Toothpaste

This cavity-fighting toothpaste with patented AP-24® technology helps prevent plaque buildup. Its pleasant vanilla mint flavor leaves you with a clean, just-brushed feeling that lasts.

AP-24® Anti-Plaque Breath Spray

With its tasty vanilla mint flavor, AP-24® Anti-Plaque Breath Spray was designed to keep your mouth feeling fresh throughout the day. Spray it on for a clean, just-brushed sensation when you can't brush. Contains plaque-fighting AP-24®.
