## What does Ava Puhi Moni mean?

Ava puhi is the Polynesian name for Zingiber zerumbet, the shampoo ginger plant. Moni is the Polynesian word for “true.” We call our product Ava Puhi Moni because it uses the “true” ava puhi—the same bulb-like flower that is traditionally used to wash hair.

## What ingredient in Epoch Ava Puhi Moni Shampoo and Light Conditioner makes my hair so soft and shiny?

The natural polysaccharides found in the ava puhi bulb-like flower condition the hair shaft, making it smooth and shiny. Its natural moisturizing properties also hydrate hair, making it feel softer.

## Where does Nu Skin obtain the Ava Puhi Extract?

Nu Skin has established a relationship with an independent agricultural source in the islands of Polynesia to grow and cultivate the ava puhi plant for use in all Ava Puhi Moni products.
