

# BODY BAR

## SOAP-FREE CLEANSER

### MEET BODY BAR

A family-favorite cleanser. This gentle, non-drying cleansing bar thoroughly removes dirt and impurities without stripping skin of its natural moisture. Keep a bar at the sink, in the kitchen, and in the shower for gentle cleansing your whole family will enjoy.

### WHY YOU'LL LOVE IT

- Thoroughly removes dirt and impurities without stripping the skin.
- Cleanses without drying.
- pH balanced to help maintain skin's delicate moisture barrier.
- Invigorates the senses and enhances your shower with an aromatic grapefruit scent.
- Formulated 100% soap-free.
- Safety-dermatologist tested.
- Features a carton made with paper that comes from well-managed, FSC®-certified forests.

### WHAT POWERS IT

- NaPCA and Glycerin—bind moisture to skin to prevent drying.
- Jojoba Oil and Vitamin E (Tocopheryl Acetate)—supplement moisture levels to protect skin's essential moisture barrier.
- Aloe Vera and Allantoin—soothe and nurture skin.

### HOW TO USE IT

Apply Body Bar to dampened skin, work gently into a light lather, and rinse thoroughly. Follow with the Nu Skin body moisturizer of your choice.

### TRY THESE WITH IT

- Body Smoother
- Perennial® Intense Body Moisturizer
- Liquid Body Lufra
- Epoch® Baobab Body Butter

### LEARN MORE ABOUT IT

How long does each Body Bar last in the shower? Each Body Bar lasts for approximately 9–10 days for one person, showering daily. Keep it in a dry place when not in use to extend the life of this Nu Skin favorite.

Can I use a washcloth or puffball with Body Bar?

Yes, you can lather Body Bar into a washcloth or puffball.

How does Body Bar compare to Liquid Body Bar?

Both Body Bar and Liquid Body Bar leave the skin feeling soft and comfortable and feature an uplifting grapefruit scent. Body Bar comes in a convenient bar, whereas Liquid Body Bar is a liquid cleanser. Although both products are gentle to the skin, Liquid Body Bar is designed to be more moisturizing.

Can I use Body Bar as a facial cleanser?

Body Bar is safe to use on the face.

How does Body Bar support Nu Skin's commitment to become more sustainable?

With our latest update, we have proudly replaced the plastic tray historically included with Body Bar for a carton made with paper that comes from well-managed, FSC®-certified forests. With this 78% reduction in packaging, we will prevent approximately 36 tons of plastic from entering landfills

# BODY BAR

each year.\* Please check your local capabilities and recycle the carton where possible. By purchasing Body Bar, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us.
