DID YOU KNOW?

Combining essences of plants used anciently, this blend contains plants that were used in the Imperial Courts of China and Japan as incense and to impart a sense of cleanliness. Historically, some Asian royalty required subjects to approach the throne with clove in their mouths. Cinnamon oil was traditionally used for its healthful qualities throughout Southwest Asia.

FYI

Epoch Assure uses clove bud as an ingredient rather than clove stalks or stems. Clove stems produce a nice smell but do not contain levels of natural chemicals that make clove work.
