

HERBAL MINERAL BATH

ULTIMATE BODY SOFTENING

PRODUCT OVERVIEW

Relax, soak, and soften. Herbal Mineral Bath transforms bathing into the ultimate rejuvenating experience with 21 herbal extracts for you to indulge in. A bubbly aromatherapy atmosphere melts away stress and tension as your skin is submerged in nurturing and conditioning benefits. The result—a luxuriously soft, silky, and relaxing after-bath feeling from head to toe.

TARGET AUDIENCE

Adult men and women who enjoy the relaxing benefits of a bath, but want to condition and nurture their skin at the same time.

PRODUCT BENEFITS

- Eases stress and muscle tension using aromatherapy.
- Combines the luxury of an delectable bubble bath with skin conditioning benefits.
- Leaves your skin feeling silky-smooth and unbelievably soft to the touch.
- Combines 21 herbal extracts, zinc chelate, and tocopheryl linoleate for a soothing, relaxing, and revitalizing bathing experience.
- Safety-allergy-dermatologist tested.

KEY INGREDIENTS

A combination of 21 herbal extracts that create the optimal environment for a soothing and relaxing bathing experience while conditioning and nurturing the skin.

USAGE/APPLICATION

Pour several teaspoons of Herbal Mineral Bath into running

water. After bathing, dry skin and apply your favorite Nu Skin hand and body moisturizers. Intended for adult use only.

Caution: Use only as directed. Excessive use or prolonged exposure may cause irritation to the skin and urinary tract. For adult use only. Keep out of the reach of children.

COMPLEMENTARY PRODUCTS

- **Body Bar**—a soap-free cleanser formulated to refresh and effectively cleanse the skin.
- **Liquid Body Bar**—a rich, soap-free formula that effectively removes dirt, oil, and impurities while providing skin conditioning moisture.
- **Body Cleansing Gel**—a soap-free cleansing gel that removes dirt and impurities without drying the skin.
- **Body Smoother**—a light, after-shower lotion that locks in moisture.
- **Perennial® Intense Body Moisturizer**—a therapeutic body moisturizer that promotes cellular durability, helping to reinforce the skin's natural defense mechanisms and protect against external aggressors.
- **Epoch® Baobab Body Butter**—a rich moisturizing cream that promotes smooth, supple skin while enhancing skin resiliency for even softer skin tomorrow.

FREQUENTLY ASKED QUESTIONS

Can Herbal Mineral Baths be used in hot tubs or spas?

No product that bubbles and foams should be used in hot tubs or spas, as these can damage motors. For more details, please contact the supplier of your hot tub or spa.

HERBAL MINERAL BATH

How often can I use Herbal Mineral Bath?

Use Herbal Mineral Bath as often as you need for a calming, luxurious bubble bath. Just be aware that staying in the tub for excessive periods of time can lead to irritation of the skin or urinary tract.

Can I use Herbal Mineral Bath as a body wash as well as a bubble bath?

Yes! Herbal Mineral Bath can be used as a gentle cleansing body wash as well as a bubble bath.

Will Herbal Mineral Bath leave scum on my bathtub?

Nope. Herbal Mineral Bath is soap-free, so it doesn't leave any soapscum to clean up after a relaxing bubble bath.
