

ageLOC® TRU FACE® UPLIFTING CREAM

PRODUCT OVERVIEW

Instant results. Lasting benefits. ageLOC Tru Face Essence Ultra Uplifting Cream adds to our groundbreaking lineup of ageLOC Tru Face Essence products with an amazingly rich hydrating cream.

Within 30 seconds, a natural active biomimetic polymer creates a comfortable, protective film. Within 30 minutes, the dewy finish starts to make skin appear more sculpted and defined for a noticeably youthful, revitalized appearance. And within 30 days, ageLOC Tru Face Essence Ultra Uplifting Cream nourishes, hydrates, and strengthens skin appearance, promoting a healthy, well-rested look. Wrap your skin in this silky cream that leaves you feeling refreshed and beautiful.

ageLOC Tru Face Essence Ultra Uplifting Cream was developed to enhance the benefits of ageLOC Tru Face Essence Ultra and make powerful skin nourishment and hydration part of your regimen.

TARGET AUDIENCE

- Men and women looking for lasting hydration and visible contouring effects.
- Men and women concerned with reducing the appearance of wrinkles and revitalizing dull and dehydrated skin.
- Men and women who want to help protect their skin from environmental damage and daily stress.
- Men and women interested in complementing the anti-aging benefits of ageLOC Tru Face Essence Ultra and other ageLOC® products.

PRODUCT BENEFITS

- Replenishes skin with deep hydration and a healthy glow.
- Promotes skin elasticity for a more youthful appearance.
- Immediately calms and soothes skin.

- Reduces the appearance of fine lines and wrinkles.
- Makes skin appear more defined and contoured.
- Promotes a more radiant complexion right from the first application.
- Nourishes, strengthens, and hydrates skin, promoting a healthy, well-rested appearance.
- Creates a breathable film that helps to protect skin against pollutants, free radicals, and environmental stressors.
- Visibly smooths and primes skin before you apply makeup.
- Produces a lovely “melt-away” sensation as you apply, leaving a barely-there, dewy layer of hydration on the skin that’s light enough to wear under makeup.
- Complements and boosts the benefits of ageLOC Tru Face Essence Ultra while adding rich hydration and nourishment to the skin.

The ageLOC® Tru Face® Essence Ultra Uplifting Cream 30/30/30 Advantage

- Within 30 Seconds
 - The natural biomimetic polymer begins forming a thin, breathable layer that helps protect skin against pollutants, free radicals, and environmental stressors throughout the day.
 - Begins to replenish hydration for a healthy glow.
- Within 30 Minutes
 - Makes skin appear more contoured and defined.
 - Reduces the appearance of fine lines and wrinkles.
 - Calms and soothes skin.
 - Visibly smooths and primes skin before you apply makeup.
- Within 30 Days
 - Strengthens skin appearance and promotes elasticity for a more youthful look.
 - Provides ongoing nourishment and lasting hydration for soft, luminous, and youthful skin.

ageLOC® TRU FACE® UPLIFTING CREAM

KEY INGREDIENTS

- **ageLOC® Proprietary Blend**—targets the sources of aging to preserve the look of youth and reduce the appearance of aging.
- **Ethocyn®***—an anti-aging ingredient that has been clinically proven to improve a key component of more contoured skin.
- **Leontopodium Alpinum (Edelweiss) Callus Culture Extract**—strong antioxidant properties help protect skin from harsh climate and environmental conditions.
- **A Natural Active Biomimetic Polymer**—mimics the properties of real skin by creating a flexible, breathable film in seconds. This thin, comfortable barrier has an instant smoothing effect and helps diminish the appearance of fine lines and wrinkles, protect the skin from outside irritants and pollution, and support healthy looking skin throughout the day.

USAGE/APPLICATION

Apply each morning and night after your ageLOC Tru Face Essence Ultra treatment.

COMPLEMENTARY PRODUCTS

- **ageLOC® Tru Face® Essence Ultra**—features Nu Skin's revolutionary anti-aging science, targeting the sources of aging that lead to the loss of firmness.
- **ageLOC® Tru Face® Essence Duet**—extends the contouring benefits of Tru Face Essence Ultra to the neck and décolleté.
- **ageLOC® Transformation**—infuses your skin with the power of ageLOC® to target the sources of aging. These four premier products work together to reveal younger looking skin in eight ways—for a more youthful, healthier looking you now and in the future.
- **Tru Face® Line Corrector**—reduces the appearance of lines and wrinkles.
- **Nu Skin 180® System**—featuring active vitamin C and hydroxy acids, this aggressive regimen diminishes the appearance of fine lines and wrinkles, restoring your skin's youthful tone, texture, and vitality.

FREQUENTLY ASKED QUESTIONS

How does ageLOC® Tru Face® Essence Ultra Uplifting Cream work with ageLOC® Tru Face® Essence Ultra?
ageLOC Tru Face Essence Ultra Uplifting Cream works hand-in-hand with ageLOC Tru Face Essence Ultra to visibly improve the contour of the skin. Apply Tru Face Essence Ultra Uplifting Cream after ageLOC Tru Face Essence Ultra, or after the treatment step of your regimen. These two products work together to complement the many benefits of ageLOC Tru Face Essence Ultra and other ageLOC

products and help give you a healthier, more youthful appearance.

How long do I need to use ageLOC® Tru Face® Essence Ultra Uplifting Cream before I experience benefits?

You'll experience some of the benefits of ageLOC Tru Face Essence Ultra Uplifting Cream immediately. In less than 30 seconds, ageLOC Tru Face Essence Ultra Uplifting Cream creates a thin, breathable barrier around your skin that helps protect against pollutants, irritants, and allergens. As it continues to work, this film has a smoothing effect on the skin and provides deep, lasting hydration throughout the day, making skin appear more sculpted, defined, and contoured. These visible skin contouring and defining benefits also intensify over time with continued use of the product.
