

NU SKIN 180°[®] NIGHT COMPLEX

Your skin is telling you it's time to make a change. Decide today to look younger with the Nu Skin 180° Anti-Aging Skin Therapy System. This four-step skin care system is clinically proven to refine texture, even skin tone, and diminish the appearance of fine lines and wrinkles for an overall more youthful appearance.

MEET NU SKIN 180° NIGHT COMPLEX

Say goodnight to the signs of skin aging. Nu Skin 180° Night Complex features creatine to promote recovery from damage caused by exposure to environmental stressors. Created to enhance the skin's cellular recovery process while you sleep, this rich nighttime moisturizer protects against free radical damage and strengthens the skin's protective barrier. Wake up to a healthy, youthful complexion with Nu Skin 180° Night Complex.

WHY YOU'LL LOVE IT

- Combats skin damage caused by sun exposure.
- Promotes silky-soft skin.
- Protects against free radicals with multiple antioxidants for radiant, healthy looking skin.

WHAT POWERS IT

- **Creatine**—protects cells from environmental stress to keep skin smooth, soft, and vibrant.
- **Macadamia Nut and Meadowfoam Seed Oils**—provide rich emollients to maintain and protect the skin's vital moisture barrier.
- **Ginkgo Biloba Leaf Extract, Grape Seed Extract, and Vitamin E**—soothe and comfort the skin as they neutralize skin aging free radicals.

HOW TO USE IT

Use at night as the fourth step of the Nu Skin 180° System. Apply lightly in an upward, outward motion to face and neck, avoiding the eye area.

MORNING REGIMEN

- STEP 1:** Face Wash
- STEP 2:** Skin Mist
- STEP 3:** Cell Renewal Fluid
- STEP 4:** UV Defense Hydrator

EVENING REGIMEN

- STEP 1:** Face Wash
- STEP 2:** Skin Mist
- STEP 3:** Cell Renewal Fluid
- STEP 4:** Night Complex

FYI

Skin is constantly assaulted by external aggressors that cause a cascade of free radical activity. This can lead to increased skin sensitivity, a breakdown in elastin and collagen, and premature aging. When functioning properly, the skin is in a constant state of recovery. Night Complex is designed to enhance the skin's natural nighttime recovery process in three key ways. First, multiple antioxidants protect against free radical degradation. Second, a barrier repair complex comprised of an optimal ratio of lipids, cholesterol, and fatty acids normalizes the skin's natural barrier function. And third, creatine protects cells from environmental stress to keep skin smooth, soft, and vibrant.

NU SKIN 180°[®] NIGHT COMPLEX

LEARN MORE ABOUT IT

Can I use Night Supply instead of Nu Skin 180° Night Complex?

Night Supply Nourishing Cream is similar in some ways to Night Complex. Both are nighttime moisturizers that help increase suppleness and restore the skin's natural moisture levels—Night Supply contains phosphatidylcholine, squalane, and shea butter while Night Complex features macadamia nut oil, lecithin, and linoleic acid. However, Night Complex provides additional anti-aging benefits with powerful antioxidants—grape seed extract, vitamins C and E, and creatine. At night, the skin recovers from oxidative damage triggered by free radical activity. Creatine assists the skin's natural cellular recovery process, helping repair damage caused by sun exposure. Thus, we recommend that you always use Night Complex in conjunction with other Nu Skin 180° products.

Vitis Vinifera (Grape) Seed Extract, Creatine, Corallina Officinallis Extract, Ascorbyl Palmitate, Tocopherol, Tocopheryl Acetate, Linoleic Acid, Glycine Soja (Soybean) Sterols, Sodium Hyaluronate, Tetrahexyldecyl Ascorbate, Biosaccharide Gum-1, Batyl Alcohol, Stearyl Glycyrrhinate, Xanthan Gum, Chimyl Alcohol, Fragrance (Parfum), Chlorphenesin, Methylparaben.

2

My skin still feels a little dry after applying Nu Skin 180° Night Complex. Can I apply an additional moisturizer?

Many people—especially those with drier skin—like to use Night Supply Nourishing Cream with the Nu Skin 180° System. Always apply Night Supply after Nu Skin 180° Night Complex to avoid diminishing product efficacy.
