

NU SKIN 180°[®] UV DEFENSE HYDRATOR SPF 18

Your skin is telling you it's time to make a change. Decide today to look younger with the Nu Skin 180° Anti-Aging Skin Therapy System. This four-step skin care system is clinically proven to refine texture, even skin tone, and diminish the appearance of fine lines and wrinkles for an overall more youthful appearance.

MEET NU SKIN 180° UV DEFENSE HYDRATOR

Hydrate and protect your younger looking skin. Nu Skin 180° UV Defense Hydrator SPF 18 protects against a broad spectrum of UVA and UVB rays, preventing premature photoaging. Formulated with light-activated photosomes—enzymes from marine plankton—this technologically advanced moisturizing sunscreen diminishes signs of past sun damage while defending skin against future harm.

WHY YOU'LL LOVE IT

- Helps reduce the appearance of age spots, sagging, and wrinkles.
- Blocks a broad spectrum of UVA and UVB rays to protect skin from future sun damage.
- Provides rich moisturization for visible wrinkle reduction and moisture barrier protection.
- Safety-dermatologist tested.

WHAT POWERS IT

- **Photosomes**—enzymes derived from marine plankton that use energy from the sun to protect skin from photo damage like age spots, sagging, and wrinkles.
- **Zinc Oxide**—a full spectrum sunscreen that blocks both UVA and UVB rays.
- **Shea Butter and Avocado Oil**—provide rich moisturization due to their unique fatty acid profile and natural moisturizing qualities for visible wrinkle reduction.
- **Liposomes**—lipid vesicles that encapsulate the photosomes, enabling them to cross the cellular membrane to target sites.

HOW TO USE IT

Use in the morning as the fourth step of Nu Skin 180° System. Apply lightly in an upward, outward motion to the face and neck, avoiding the eye area.

MORNING REGIMEN

- STEP 1:** Face Wash
- STEP 2:** Skin Mist
- STEP 3:** Cell Renewal Fluid
- STEP 4:** UV Defense Hydrator

EVENING REGIMEN

- STEP 1:** Face Wash
- STEP 2:** Skin Mist
- STEP 3:** Cell Renewal Fluid
- STEP 4:** Night Complex

FYI

UV damage from the sun's rays accounts for 90 percent of premature skin aging. Even if you aren't in the sun for extended periods of time, the effects of incidental sun exposure accumulate and show up on your skin as wrinkles, discoloration, rough texture, and sagging.

LEARN MORE ABOUT IT

Does Nu Skin 180° UV Defense Hydrator provide UVA and UVB protection?

Yes, ethylhexyl methoxycinnamate is a UVB sunscreen and zinc oxide is a UVA and UVB sunscreen. Together, these ingredients provide full spectrum sun protection.

NU SKIN 180°[®] UV DEFENSE HYDRATOR SPF 18

Can I use Moisture Restore Day Protective Lotion instead of Nu Skin 180° UV Defense Hydrator?

Moisture Restore Day Protective Lotion SPF 15 is similar in some ways to Nu Skin 180° UV Defense Hydrator. Both are daytime moisturizers, provide UVA and UVB protection, and use antioxidants to protect the skin from free radical damage—Moisture Restore Day contains colorless carotenoids and UV Defense Hydrator features vitamin E. However, UV Defense Hydrator provides additional anti-aging benefits with light-activated enzymes from sea plankton that use energy from the sun to protect skin from photo damage. Thus, we recommend that you always use UV Defense Hydrator in conjunction with other Nu Skin 180° products.

WHAT'S IN IT

Water (Aqua), Ethylhexyl Isononanoate, Ethylhexyl Methoxycinnamate, Zinc Oxide, C12-15 Alkyl Benzoate, Cyclopentasiloxane, Methylpropanedioi, Pentylene Glycol, Octyldodecyl Neopentanoate, Ceteth-20, Cyclohexasiloxane, Dimethicone, Trilaureth-4 Phosphate, Caprylic/Capric Triglyceride, Glyceryl Stearate, PEG-100 Stearate, Di-C12-15 Alkyl Fumarate, Persea Gratissima (Avocado) Oil, Tocopheryl Acetate, Cetyl Alcohol, Butyrospermum Parkii (Shea) Butter, Lecithin, Ammonium AcryloyldimethyltaurateN P Copolymer, Stearyl Glycyrretinate, Panthenol, Plankton Extract, Steareth-20, Polyhydroxystearic Acid, Butylene Glycol, PEG-75 Stearate, Isostearic Acid, p-Anisic Acid, Xanthan Gum, Disodium EDTA, Citric Acid, Fragrance (Parfum), Phenoxyethanol, Chlorphenesin.
