

# NU SKIN® TRI-PHASIC WHITE® CLEANSER

Nu Skin Tri-Phasic White is a comprehensive skin brightening system containing five products that target all three critical phases of the discoloration process.

**PHASE 1:** Protecting from initial factors that cause discoloration.

**PHASE 2:** Targeting a key component in the discoloration process.

**PHASE 3:** Reducing the appearance of discoloration.

Nu Skin Tri-Phasic White will help you achieve even-toned, glowing skin for a brighter, more radiant you.

## MEET TRI-PHASIC WHITE CLEANSER

Tri-Phasic White Cleanser is a pearlescent, moisturizing mousse that cleanses and brightens skin for a fresh, luminous appearance. It features creatinine to specifically target discoloration on the surface of your skin. This advanced cleanser also works to improve skin tone and texture while leaving skin feeling silky-soft. Because you should be able to brighten your complexion every time you cleanse.

## WHY YOU'LL LOVE IT

- Cleanses and brightens skin for a fresh, radiant appearance.
- Pearlescent, moisturizing cleanser leaves skin silky-soft while improving skin tone and texture.
- Diminishes the appearance of skin discoloration.

## WHAT POWERS IT

Creatinine—this natural compound reduces skin discoloration while helping to improve and brighten skin tone for a fresh, glistening appearance.

## HOW TO USE IT

Moisten face and neck with warm water. Work a small amount into a light lather and gently massage over face and neck, avoiding eye area. Rinse thoroughly with warm water and pat dry.
