

NU SKIN® TRI-PHASIC WHITE® ESSENCE

Nu Skin Tri-Phasic White is a comprehensive skin brightening system containing five products that target all three critical phases of the discoloration process.

PHASE 1: Protecting from initial factors that cause discoloration.

PHASE 2: Targeting a key component in the discoloration process.

PHASE 3: Reducing the appearance of discoloration.

Nu Skin Tri-Phasic White will help you achieve even-toned, glowing skin for a brighter, more radiant you.

MEET TRI-PHASIC WHITE ESSENCE

Reveal your inner beauty. Vital for contributing to a brilliant, translucent skin tone, Tri-Phasic White Essence is formulated with Brightex. This proprietary combination of ingredient technologies works in multiple ways to illuminate your complexion by reducing the appearance of existing dark spots, uneven skin tone, and discoloration. Tri-Phasic White Essence should be used as part of your daily regimen.

WHY YOU'LL LOVE IT

- Contains antioxidants to help calm free radicals.
- Reduces the appearance of discoloration.
- Promotes a brighter, more brilliant complexion.

WHAT POWERS IT

Brightex—a proprietary brightening blend that provides potent antioxidant protection with soy isoflavones, citric acid, grape seed extract, and lipoic acid. Combined, these ingredients work in multiple ways to illuminate the complexion by reducing the appearance of existing spots, uneven skin tone, and discoloration.

LEARN MORE ABOUT IT

Can Tri-Phasic White Essence be used as a spot treatment?

Yes. Tri-Phasic White Essence works great as a spot treatment for individuals who want to target a small area of discoloration. However, it is best to use Tri-Phasic White Essence as part of the Nu Skin Tri-Phasic White System for overall brightening benefits.

Which skin types can use Tri-Phasic White Essence?

Tri-Phasic White Essence is formulated for all skin types; however, it is a very potent formula so some people with sensitive skin may experience a brief stinging sensation.

WHAT'S IN IT
