ULTIMATE MASK WATERFULL

TO HYDRATE AND
REPLENISH SKIN.

Nu Skin Ultimate Mask Waterfull combines the power of rich humectants with water binding moisture to the skin – for the ultimate skin care facial treatment to enhance your skin condition.

WHY YOU'LL LOVE IT

- Hydrates and replenishes the skin
- A water gel mask that is 100% botanical from eucalyptus microfibers
- Ingredients work together for maximum moisturizing effect
- Provides a surge of waterfull hydration for soft, supple skin
- Transparent mask adheres for a visibly improved application

WHAT POWERS IT

- **Hydrating Blend** (Glycerin, Urea, and Hyaluronic Acids) helps bind water and hold it to the surface of the skin.
- **Skin Conditioning Blend** (Arginine, Allantoin, and Flower Extracts) supports the skin to feel soft and supple.
- **Caffeine** gives skin a more energized appearance.

HOW TO USE

1. Cleanse and tone your skin prior to applying the Ultimate Mask.
2. Open the pouch and place the mask on your face. Double fold the eye area downwards for enhancement of effect around eye area.
3. Relax and leave the mask on your face for 10-20 minutes, to really experience the full effects. Tap remaining liquid on your face to be absorbed into skin.
