Transformation Number = 15.6%

The proof was there as I lost inches, my body remolded and reshaped, my energy maintained, happiness and joy became obvious in my daily life and my focus was sharp and determined. My 90 day statistics were in my opinion pretty impressive – **15.6%** body fat loss, 30 pounds, and around 24 inches from the areas measured. I am filled with gratitude to be involved with such a fantastic company with unbelievable life-changing products.
