

# DARIN KLEINMAN (DISTRIBUTOR)

**Transformation Number = 17.5**

Before I was on TR90 I was little overweight and suffered from fatigue. After taking TR90 my energy level improved as well as my mood. Instead of being a little overweight I have well defined muscle tone and I am very pleased about how I look and feel. I lost a total of 18 lbs. and 17.5 inches.

**Inches Lost =17.5 Weight Lost = 18**
