Transformation Number = 68

After many years of trying every diet to lose weight and losing and gaining the same pounds over and over again, I decided to do the TR90 program this Spring. Both my daughters did TR90 with me - so we all had support. We are all very excited about the changes in our lives as we look to the future. My transformation number is 68 because I want my 68th year to be my best ever.

Inches Lost = 18 Weight Lost = 20

Results achieved through a combination of the TR90 program, diet and exercise.
